Drone Day this Wednesday

Join Friends of Taupo Swamp & Catchment at Pimmerton School this Wednesday 11 October for DRONE DAY!

Pimmerton School's 'Science in the Taupō Swamp' programme will kick off with a drone demonstration by Cratos Limited on the school field.

The demonstration is for students, parents, grandparents and anyone from the community with an interest in the wetlands and its important role in our local environment.

This is the first time that this technology has been used like this to enhance the school curriculum. This is a joint project between the school, Cratos, Friends of Taupō Swamp & Catchment, Porirua City Council, and Pimmerton Residents' Association. Watch this space for more updates as the 6 week programme rolls out...

Wednesday 11 October

- 9am school field: senior school
- 1pm school field: junior school

Friends of Taupo Swamp & Catchment Society Inc.
