270 plants to get in the ground this coming Saturday, wet, fine, hail, snow, or even sun! A Conservation Volunteers team is preparing the planting area this week so it's all go to get these in the ground and flourishing before drier weather.

Anytime between 9 and midday at the FOTSC work container in the Composting NZ compound, Ulric Street Plimmerton. Please avoid the buzzer on the left side of the CNZ pay station as you enter the grounds- thank you! If possible, please park on the road.

We have gear – you need good footwear and leg cover.

Birthday cake to celebrate 5 years of FOTSC!
