Upcoming working bee dates

Kia ora koutou Supporters

Unfortunately, we had to cancel last Saturday morning's planned weeding session due to flooding of the wetlands.

We will be back on the job this Saturday morning (20th April) 9-12 and also Wednesday 8th May 9-12

The main objective for both days is to clear weeds from around previous plantings. No need to bring your own tools as we have tools and gloves.

Meet at the white storage container on the Compost NZ site, off Ulric St. The ground is not too muddy but is not suitable for regular shoes.

Please keep in mind that the meeting point is on the CNZ site, so it is preferable to limit carparking on the site. If you do drive onto site, please circle around in a clockwise direction. If you walk onto the site, please walk straight ahead from the entrance to the storage shed. Both approaches will avoid setting off the CNZ 'customer buzzer'.

thanks for your support.
