

Friends of
Taupo Swamp
& Catchment

Hi

Today (5pm) is the last day for all people who have made a submission about the PCC proposed Plan Change for Plimmerton Farm to respond about participation in the pre-submission hearings meetings.. You need to confirm to Maria Joslin at submissions@porirua.govt.nz

You can also seek help from Emily Bayliss 021 532 284 at

FriendofSubmittersPC18@porirua.govt.nz

We are not alone in thinking that the process looks daunting, but be assured that FOTSC representatives will be attending the pre-hearing days and will provide support to you in any way we can.

Keep an eye out on the Taupo Swamp facebook page for details of planting work with NZ Motor Caravans Assn members this Saturday morning. All community support is appreciated. We will be mindful of Covid19 social distancing etc.

We will have plants and trees laid out for you ahead of time.

cheers

Bill & Judy

take care
