Taupo Swamp
& Catchment

6 April 2021

*Friends of Taupo Swamp volunteer weeding morning this coming
Saturday 10 April*

Hello FOTSC supporters

Weeding morning this coming Saturday

It's the first available Saturday of the month again. So we are down at the Ulric Street wetlands for a weeding binge this coming Saturday morning! Lots to do but there are levels of work to suit the youngest (with adult supervision) and oldest bodies...

It could be warm, so bring water and a snack – apples & chocs supplied thanks to New World Paremata.

A good idea to have cover for legs and arms, and wear solid shoes.

An hour (or so) will be welcomed at any stage of the morning even if it's to come along and see the growth of last year's trees- now up to 1.5 metres...

Thanks all

Judy & Bill and the FOTSC committee

(Bill's computer is out of action...)
