Taupo Swamp working bee

Hi all

On Tuesday next week (Oct 22nd, 9am - 4pm) we are going to have help from a Work Skills group from Conservation Volunteers NZ.

We have a small amount of planting planned but mostly have a bunch of other small tasks to do. So come along and give us a hand for an hour or two or ask us about our cunning plan to plant 10,000 trees over the next three years.

Bring a spade, secateurs, gloves, boots, hat, water, lunch...

As with the previous work days, we will be meeting in Ulric St by the footbridge.

cheers
Bill
